Located on expansive villas of 622 to 750 sqm, our Waterfront Villas redefine opulence. With 5 bedrooms and a front-row location along the prestigious shorefront promenade, each villa is a testament to luxury living. Spectacular waterfront views paint the backdrop for this private residence, complemented by lush and parking.

Waterfront Villa
Type A

FIVE BEDROOM

The design of our waterfront villas embodies a pure panoramic architecture, where the design is all about capturing stunning water and skyline views. Each villa along the shoreline boasts a unique character, harmonizing with the natural environment of Dubai Islands. Situated on the seashore, the design vision extends to be surrounded by lush vegetation—providing a sense of luxury privacy in the bustling city.

Experience open living spaces shaded by a pure frame that maximizes waterfront views on both levels. The waterfront side features a light frame extending over living spaces, providing shade to the ground floor terrace while expanding the living space towards the view. It also separates first-floor rooms, offering waterfront and city views. On the street side, the first floor extends over the garage, integrating an entrance courtyard and a screened upper-level bedroom and family lounge with an open terrace. Welcome to a place where architectural brilliance meets waterfront living in the heart of Dubai Islands.
